October Spotlight

This month's spotlight goes to Mr. Alex Russo. Mr. Russo received his Bachelor's degree in Mathematics and Political Science from the University of Florida. He is bilingual and speaks

English and Japanese. He entered law school directly after his undergraduate studies and is determined to finish strong as he will be graduating this Spring.

Mr. Russo loves to travel and is always looking for the next best hike. To supplement his passion for travel, he studied abroad in Tokyo, Japan for the Spring 2018 semester, where he interned in the legal department at Dome Corporation – the sole distributor of Under Armour in Japan.

After his experience abroad, Mr. Russo is passionate about returning to work in Japan in the future. He hopes to leverage his language and legal skills to open up more doors for him abroad.
