

UNIVERSITY OF SAN DIEGO VIS INTERNATIONAL COMMERCIAL ARBITRATION MOOT

SEPTEMBER

Kick-Off Party Highlights

Thank you to everyone who attended the Kick-Off Party last month. We had five generations of VICAM come out! It was great to share a beer, some appetizers, and good conversation with all of you.

September Shenanigans

The team will be expanding this month as we are holding 1L tryouts on September 15, 2018.

To celebrate the new members, we invite alumni, friends, and family to Coronado Brewing Company on September 22, 2018. Come meet the new team and the new 1Ls. The Board also challenges you all to a game of cornhole or ping-pong! Coronado is dog friendly, so feel free to bring the pups.

Call to Alumni

Travel Team Tryouts will take place on October 14, 2018 at 1:30p.m. We need one more alum to

stand as an arbitrator. We also need alumni to redline our Claimant drafts this fall. If you are interested in donating your time, please email usdvicam@gmail.com.

Fundraising

The Centurion program is back! Contributors of \$100 will be featured on our monthly newsletter and website. Your donations are essential to the growth of the USD VICAM Program. Please help our domestic teams compete in Guadalajara, Mexico and New York, New York this Spring! If you are interested, please email usdvicam@gmail.com

Alumni Around the World

Thank you to those alumni who have shared their current location with us. We have alumni here in San Diego, Amsterdam, Hong Kong, Dubai, New York, Coachella, and Bakersfield! We are working on compiling a map pinpointing all our alumni's locations. It would be great if we can have everybody on there! Please send your current coordinates to usdvicam@gmail.com

September Spotlight

This month's spotlight goes to Mr. Evan Armstrong. Mr. Armstrong received a Bachelor's degree in Psychology from Arizona State University. He then worked at a Fortune 500 IT Solutions Company where he became

interested in law and international commercial work.

Mr. Armstrong is the epitome of hard work. He admits to struggling his first year of law school but attributes his success to his supportive friends. He became a member of VICAM, and competed in Fordham University his 2L year. He impressed many arbitrators, and to top it off, returned to San Diego to learn he was chosen to be Editor-in-Chief for the International Law Journal. His goals for this year are to compete in the Vis or Vis East and to publish the Journal on time. As for long term goals, he is pursuing a career in civil litigation and focus on international or employment law.
